My Family: дерево и собственный рассказ

Student practice

Use the imaginary family. Draw a family tree and describe three people.

Name or nickname: _____ Date: _____

Alex and Mia are children of Eva and Sam. Rose and Tom are Eva's parents. Mia likes drawing. Sam likes cooking. Rose has got a garden.

1. Draw the family tree. Who is Mia to Alex?

_____

2. Who is Rose to Alex? Who is Eva to Rose?

_____

3. What does Sam like doing?

_____

4. Write four sentences about this family or a different imaginary one.

_____

5. Ask a partner one question about the imaginary family.

_____

Teacher answers and notes

My Family: дерево и собственный рассказ

1 Mia is Alex’s sister.

2 Rose is his grandmother. Eva is Rose’s daughter.

3 Cooking.

4 Open answer: check roles, names and clear details against the chosen tree.

5 Example: What does Mia like doing? Do not require real family information.

Open answers: accept a meaningful response that fits the chosen picture or situation. Note whether the learner needed a repeat, a picture, a first word or a full model.
