Teacher answers and notes

Песни на английском для детей: три записи и задания для урока

1 Check against the chosen recording; accept a gesture or accessible alternative.

2 Use only animal cards matching that version. Check the official materials before the lesson.

3 Check a visible bus part against the chosen recording or picture.

4 Open answer: e.g. The bus is red. Accept a meaningful sentence about the selected picture.

5 Record repeat, picture, first word or full model. Do not equate singing with independent understanding.

Open answers: accept a meaningful response that fits the chosen picture or situation. Note whether the learner needed a repeat, a picture, a first word or a full model.
